- May 20-24 Kick-Off Week Summer Camp for Full Day Students Only
- **CLOSED MAY 27th MEMORIAL DAY**

### Administrator's Note

Spring has been a busy time here at Rockledge Montessori. We have watched in wonder nature at work this past month: watching the *three* mourning dove nests, planting a tree, caring for the gardens, harvesting radishes and eggplants, and wondering what happened to our mama duck. This month we look forward to finding chrysalises, as butterflies come to the butterfly garden, and sampling tasty tomatoes!

We wish all of our mothers a very special Mother's Day. Thank you so much for all you do! (Dads, we'll celebrate your special day during Summer Camp!) We are very proud of your children and how hard they have worked this year, and oh, how much fun they have had learning! We are so grateful for each one of our families and all of your support during the past school year.

*Have a safe and wonderful summer!*

*Cindy Maslin, Administrator*

*Pictured above: Congratulations to our Kindergarten graduates Gabriella & Ty!*

**Happy Mother's Day!  
May 12th**

*Show Mom how special she is!*

*We are privileged to have three pairs of Mourning Doves nesting on our campus this spring!*

### COMING UP!!

- SUMMER CAMPS begin May 20th -SIGN UP NOW! There are still a few spaces open for Summer Camp; Deadline to order T-shirts is May 10
- DONUTS FOR DADS coming in June!
- FREEDOM CELEBRATION family picnic in July!
- Plus a lot more summer fun!!

## End of School Year Reminders

- **Teacher Appreciation Week is May 6-10. Parents who would like to bring a snack or treat for the teachers during this week may sign up in the office.**
- **For those who have turned in registration papers but not yet paid their fees, be sure to turn in your fees before the end of May to hold your child's place for fall.**
- **3-6/VPK Progress Reports will be sent home the last day of classes.**
- **Please return any clothing borrowed from the school before the end of the school year—Thank You!**

*The 3-6/VPK classes made our logo (children around the world) with recycled bottle caps*

### *Mrs. Fraleigh's 3-6 & VPK Classes*

*Zavier works with the geometric solids*

The children really enjoyed our study on insects, as well as our celebration for Earth Day. During May, we will finish our bug study and review everything we've learned. We will also celebrate Mother's Day and the end of the school year. I want to thank all of my parents for the opportunity to share in your child's growth and education this past year. I'm looking forward to seeing many of you for Summer Camp. We're going to have a wonderful summer! ~ Mrs. Kathrine Fraleigh ~

*Remy does a beautiful job on the small hexagon box*

### *Mrs. Mammay's 3-6 & VPK Classes*

We've been watching things grow and change in our outdoor environment. The children and I enjoyed working with Mrs. Fraleigh's class on the recycled bottle caps art project.

We will finish up the school year exploring the five senses and learning about summer and outdoor safety. Thank you for sharing your children with me this year! I look forward to seeing you again in the fall.

~ Mrs. Melissa Mammay ~

*A lovely Japanese Tea Ceremony for the VPK Class*

*Olympic spectators & cheerleaders singing the winners' song they made up*

### *Mrs. Smith's Two Year Class*

*Alexandra & Cooper picking radishes*

We welcomed Mariah to the Two Year Class in April. Slone and Zoe moved up to the Two Year Class and several of our Two's will move into to the 3-6 Summer Camp.

This month we will focus on the color yellow, and review our numbers and shapes. We will be learning about nature in Florida. And we will plant more flowers as we continue cultivating our garden. We will also talk about the many wonderful things mothers do for us. I wish all our mothers Happy Mother's Day, and thank you for allowing us to share many special moments with your toddler!

~ Mrs. Cheryl Smith ~

*Parker & Cooper enjoying the 'community' activity table*

### *Mrs. Rodriguez' One Year Class*

Our One Year Olds have grown up so fast! Zoe and Slone move up to Mrs. Smith's Class in May. The children are learning how to water the plants and be gentle with them. They are also learning how to pass things around the circle to share an experience. In May, we will focus on what our Mothers do for us, the colors pink and purple, circle and rectangle shapes, and insects. Happy Mother's Day to all our mothers—thank you for all you do!

~ Mrs. Sandra Rodriguez ~

*Olivia & Perry work together; the children enjoyed seeing the sand crab*

*Passing the cup to water the seedlings*
