Administrator's Note

Our fall season has started and we may not have a display of autumn leaves here in Florida, but the fall is still an exciting and much welcomed season! The children are enjoying the cooler days by having some lessons outdoors.

I would like to invite our 3-6 & VPK Parents to our Parent Participation night. Please read the information under your class. I would also like to thank all the Pre-Montessori parents who are helping with our new transitions in these programs. Our parents are awesome.

Remember, you can now read or print our newsletter from our website and also look for the link on our Facebook page.

- NOVEMBER 20th-Thanksgiving Celebration & Potluck Lunches Pre-Montessori
- NOVEMBER 21st- Thanksgiving Celebration & Pot-luck Lunches 3-6 and VPK classes

The Season of Celebrations Begins

Rather than observing Halloween here at Rockledge Montessori, we celebrate the season of Fall in October. October 31st will be our Naranja/Orange Day. The children will wear the color orange and share a sampling of orange foods.

On November 20th (Pre-Montessori) & 21st (3-6 & VPK), we will be celebrating Thanksgiving with our students. There will be sign up sheets coming soon for our Pot Luck lunch. Watch for details coming home in November. Due to parking, this is a students only event.

Rockledge Montessori - An Education for a Lifetime

Mrs. Kathrine, Mrs. Jyoti and Mrs. Patty 3-6 & VPK Classes

In October, we will be learning parts of the body, parts of the skeleton, the life cycle of a pumpkin and about Fall in general. We are looking forward to planting in our gardens and working on a compost in October.

Parent Participation night is coming up on October 18th. The children are very excited to teach you a lesson that they have learned.

On October 31st, please have your child wear orange. This is our Naranja

Two Year Old Class

Mrs. Adina and Ms. Harriett

During October, we are focusing on the color orange, the triangle shape, the number three, autumn leaves, pumpkins, and the Fall season. We are looking forward to spending more time outdoors celebrating the Fall season, looking for autumn leaves and acorns on our nature walks. We will be learning more about their sizes, colors and pumpkin pie tastes.

Mrs. Stephanie and Ms. Lauren

One Year Old Class

Our class has been settling in to our routine and they are doing a great job on working, cleaning up and having lots of fun!

This month we are focusing on the color orange, the triangle shape, the number three, autumn leaves, pumpkins, and the fall season. We are looking forward to being outside more, enjoying the Fall weather and tasting a pumpkin pie. Don't forget to wear something orange on October 31st!
